OFFICE MEMO

Dated: May 12, 2020

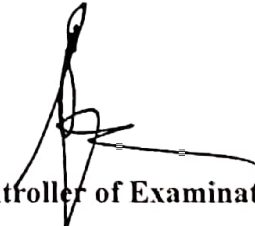

In view of the prevailing COVID-19 lockdown and Online teaching/evaluation in the University, the students of Jamia Millia Islamia, including the foreign students, are leaving for their respective hometowns / country. This issue was discussed in the recent Academic council meeting and important decisions for foreign students were taken.

Intermediary year exam---All such students who are in Intermediary Semester/year regular courses are advised to ensure submission of all their assignments online to their respective teachers, on or before 5th June 2020 even from their hometowns. They must also fill up the online Examination form till 31.05.2020 positively.

Final year exam---The foreign students who are in the final semester/ year-end are also advised to submit their Assignments in lieu of their end semester/year-end exams before leaving to their countries due to prevailing lockdown condition and online teaching and evaluation.

If the COVID –19 situation does not reasonably improve there is a likelihood that the foreign student may not be able to return back to the university early. Thus, as per AC decision, in this situation the assignments submitted by them shall be treated as off line final examination which will be the basis of their assessment for the final semester/End year examination. Online filling of Examination form is mandatory.

For the 2020-2021 session the University classes will commence from August / September 2020 The students are advised to keep watching the University website and Controllers Website for further notices (including Admission offer information) as individual notice sending is not possible.
